MONTAGE

EN

WALL MOUNTING (INSTALLATION)

1. Open the click profiles and use the 4 mounting holes to screw the frame against the wall.
2. During the installation 4 spacers will be put over the screws in between the frame and the wall.

POSTER CHANGE

- a. Open the click profiles.
- b. Position the poster in the base profile. Put the cover sheet on the poster with the non-reflective side up.
- c. Close the click profiles.

FR

MONTAGE

1. Ouvrez les profilés clics.
2. Fixez le cadre contre le mur par les 4 trous dans le profilé de base.

CHANGEMENT DE L'AFFICHE

- a. Ouvrez les profilés clics.
- b. Placez l'affiche dans le profilé de base. Mettez la feuille de protection sur l'affiche avec le côté antireflet vers l'extérieur.
- c. Fermez les profilés clics.
